

JRFM Journal for Religion Film Media is a peer-reviewed, open-access, online publication with print on demand option. It offers a platform for scholarly research in the broad field of religion and media, with a particular interest in audiovisual and interactive forms of communication. It engages with the challenges arising from the dynamic development of media technologies and their interaction with religion.

Themes 2023:

- #1 Paradise Lost. Presentations of Nostalgic Longing in Digital Games
- #2 Here Be Dragons. East Asian Film and Religion
